Bill,
I looked into it, and it was our mailing error – shouldn't have happened. I'm sorry for any inconvenience it caused you. We have the correct address in our system. That should not happen again. Since there is nothing to change, I am going to void the amendment you sent in March. If you have any questions, please let me know.

Thanks,
Casey

As far as the actual license, there is nothing to amend.

Thank you,

Bill

Hmm, I apologize. That kind of error shouldn't have occurred. I will check into how that happened and get back with you. It appears that the address is updated in our system, so I don't think that should happen again. As far as the actual license though, is there anything to amend?

Thanks,
Casey

Casey Alldredge,

We received the amendment No.03 in early March. My concern is that it was sent to our old address in Littleton (see attached cover letter) and any future correspondence from USNRC may not get forwarded to our new address. The Post Office put the standard yellow sticker on the envelope saying "NOTIFY SENDER OF NEW ADDRESS."

Thank you,

Bill Whitaker

Mr. Whitaker,

On March 9, 2016, you sent a license amendment request for NRC License No. 055-29208-01 to change your mailing address to 160 Inverness Drive West, Suite 110, Englewood, CO 80112. However, it appears that license amendment No. 03 already lists this as the mailing address. From my records, it looks as if we mailed you a copy of amendment No. 03 in early February. Have you received it? Do you have any concerns or other changes you need to make?

Thanks,
