Subject: Wyoming Medical Center License No. 49-00152-02 Amendment Request dated December 10, 2015

Importance: High

Good Afternoon Mr. Fernald: This email is a follow-up to my voice mail message left for you earlier today.

Please note that on the amendment request letter for Wyoming Medical Center dated December 10, 2015, you state that you want to add Dr. Christine Lauro as an AU for 10 CFR 35.300 and 35.400 uses; however, the completed form 313A(AUS) attached to the amendment request, request approval for 10 CFR 35.400 and 35.600 uses. Please clarify this discrepancy.

In addition, please submit a copy of Dr. Lauro's ABR certificate.

Please respond to this email by Tuesday, April 26th, 2016 or if additional time is needed to respond, please send me an email requesting an alternative date to respond.

Please reference the license, docket, and control numbers specified below when submitting your response.

Please do not hesitate to contact me at the phone numbers or email address specified below if I can be of further assistance.

Sincerely,

Ms. Jacqueline "Jackie" D. Cook
Senior Health Physicist
US Nuclear Regulatory Commission Region IV
Division of Nuclear Materials Safety
Nuclear Materials Safety Branch B
