for U.S. Army's License Amendment Request to Possess Depleted Uranium
from the Davy Crockett M101 Spotting Rounds at various Installations,
Including Fort Sill, OK.

Dear Ms. Snyder:

In response to your request, the above reference project has been reviewed by staff of this office to identify areas that may potentially contain prehistoric or historic archeological materials. The location of your project has been cross referenced with the Comanche Nation site files, and Comanche Nation ***"Concur"*** with your finding.

Please contact this office at (580) 595-9960/9618 if you require additional information on this project.

This review is performed in order to identify and preserve the Comanche Nation and State cultural heritage, in conjunction with the State Historic Preservation Office.

Regards
