Good Morning!

Thank you Michael for your response.

Please note that there are 2 different forms to submit for Dr. Lauro for 10 CFR 35.300 (Form 313A (AUT)) and 35.400 (Form 313A(AUS)) (<http://www.nrc.gov/reading-rm/doc-collections/forms/>). Please give me an alternate date on when you think you can get your response back to me.

Yes, you may send Dr. Lauro's ABR certificate electronically and you may submit your response to my request for additional information electronically.

Please do not hesitate to contact me if I can be of further assistance.

Hello Ms. Cook-

I am contacting you in regard to License: 49-00152-02, Docket: 030-03495, Control: 589932.

Thank you for reaching out to me regarding this amendment request. It was my intention to add Dr. Lauro for 10 CFR 35.300 and 35.400, not 35.400 and 35.600. I apologize for the oversight of not sending form 313A for 10 CFR 35.300. I will get a copy of form 313A for 10 CFR 35.300 sent to you. I am not certain it will arrive to you by April 15 however, so if I may request an extension I would certainly appreciate it.

Regarding Dr. Lauro's ABR Certificate, it has arrived and I am happy to send it to you. Is submitting it electronically acceptable or should I mail it?

Thank you; have a great evening.
-Michael

Importance: High

Good Afternoon Mr. Fernald: This email is a follow-up to my voice mail message left for you earlier today.

Please note that on the amendment request letter for Wyoming Medical Center dated December 10, 2015, you state that you want to add Dr. Christine Lauro as an AU for 10 CFR 35.300 and 35.400 uses; however, the completed form 313A(AUS) attached to the amendment request, request approval for 10 CFR 35.400 and 35.600 uses. Please clarify this discrepancy.

In addition, please submit a copy of Dr. Lauro's ABR certificate.
