Mr. Lawyer,

Indeed, we are in the same location, nothing physical has changed. Last summer the name of Kansas St. was changed to General Greene Avenue to honor MG Greene (our post's previous commanding General) who was killed in Afghanistan. I should have caught this inconsistency within "condition 10", sorry for the mistake.

Mr. Blaha,

On your application letter, item 2 states that the mailing address is 10 General Green Avenue, Building 42. The address we previously had on the license and the location of use is Kansas Street, Building 42. Should the licensee address and the location on use (Condition 10) be changed to 10 General Green Avenue, Building 42? If so, please state if the name of street changed or if it is a different location.

Thank You,

Dennis Lawyer
