Subject: [External_Sender] Nuclear Workers Due Process Rights

My name is Mark Schwartz. I am a Business Rep. for IBEW Local 1600. The Local represents 3000 people. I am the Business Rep. for the 2 Nuclear Power Plants in our fleet {Susquehanna Units 1 and 2}. We are asking Rep. Matt Cartwright to sign on a letter authored by Senator Ron Wyden being sent to the NRC. This letter is being sent to Protect Nuclear Workers Due Process Rights and do away with SECY-15 - 0149. SECY-15-0149 denies the employee of a third party's resolution in disputes concerning unescorted access to the Power Plant. Please take a hard look at this issue. Thank You
