Michelle,

Dr. Knochel has been granted AU status for both Sirspheres and recently Theraspheres (see attached) . Also the guidance document you have attached references June of 2012. I believe this was the original reference guide that was issued last July when we requested Therasphere AU status for Dr. Knochel.

My email address has changed on November 11th to Eric.Colaianne@saintalphonsus.org
my old email will expire May of 2016.

License# 11-27306-01
Control# 590214

Good Morning,

This letter is in reference to your application received February 22, 2016, in which you provided documentation detailing Dr. Knochel's three supervised cases for Y-90 microspheres. Please note, the NRC has issued new guidance concerning the use of Y-90 microspheres. For your convenience, I have attached a copy of the guidance to this email. In order to continue our review of your request, we need the following additional information.

1. Please make the following commitments:

We commit to following the "Yttrium-90 Microsphere Brachytherapy Sources and Devices TheraSphere® and SIR-Spheres® Licensing Guidance" dated February 2016.

Please provide this information by May 4, 2016. You may fax your signed response to 817-200-1263, referencing mail control 590214. When you send the fax, you may wish to leave a voicemail or e-mail message to alert me to look for it. If you are submitting your response by email, the response must be submitted in pdf format. Please send me an e-mail or call me at 817-200-1590 if you have any questions.
