Radioactive Materials License No License No. 15-35082-01

Dear Mr. Tran:

Thank you for your email from Thursday, April 28<sup>th</sup>, 2016. In our letter of March 16<sup>th</sup>, our intention was to provide the certificate from the In-person Radiation Safety Officer training for Mike Zumwalt, who is in our Knob Noster, Missouri facility. He attended the training in order to comply with the Confirmatory Order of October 28<sup>th</sup>, 2014 which stated that KTI would "provide Radiation Safety Office Training for an additional gauge user at the Knob Noster facility." We do not wish to name him as a Radiation Safety Officer at this time.

We do, however, look forward to receiving a license from you amended to reflect our current address, 8271 Melrose Dr., Lenexa, KS 66214, which was the sole intent of our March 9<sup>th</sup> request.

Sincerely,

Otto J. Kruger, Jr.
