Dear Dr. Njeh:

It has come to our attention that Amendment No. 62 to your NRC Material License No. 13-02128-03, issued on April 21, 2016, contained an error. In Condition No. 12.B, the first name of "Orrin W. Perkins, M.D." was spelled incorrectly, with only one "r" in his first name.

Enclosed is a corrected copy of Amendment No. 62, which reflects the adjustment and proper spelling of Dr. Perkins' first name.

We regret this error and apologize for any inconvenience it may have caused you.

Please note that the change made to your license is also printed in **bold** font.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

If you have any specific questions concerning the corrected copy for this amendment, please contact me at either (630) 829-9841 or (800) 522-3025, ext. 9841. My fax number is 630-515-1078. My email address is colleen.casey@nrc.gov.
