Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual. The SLC Manual is Chapter 16.0 of the Oconee UFSAR. This manual is intended to contain commitments and other station issues that warrant higher control, but are not appropriate for inclusion into the Technical Specifications (TS). Instead of being updated with the annual UFSAR Update, the SLC Manual will be updated as necessary throughout the year.

Very truly yours,

W. R. McCollum, Jr.  
Vice President  
Oconee Nuclear Station

To: Manual Holders

Subject: Ocone SLC Revision

Please revise your SLC Manual according to instructions. This new SLC places new minimum required tendon lift-off valves and prescribed lower limits into the Ocone Selected Licensee Commitment Manual.

Please update your copy of this manual as follows:
