

Delegation of Authority:

Memo To: Larry L. Kestin, M.D., RSO

From: Jeffrey Margolis, M.D., President

Subject: Delegation of Authority

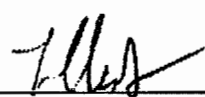

You, Larry L. Kestin, M.D., have been appointed Radiation Safety Officer for radioactive Materials license 21-26488-01 and are responsible for ensuring the safe use of radiation. You are responsible for managing the Radiation Protection Program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified to maintain radiation safety. You are required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, you are free to raise issues with the Nuclear Regulatory Commission at any time. It is estimated that you will spend 2 hour per month conducting radiation protection activities.

Jeffrey Margolis, M.D., President
