Subject: Change of Conditions Request

Per Item 10 of our NRC license I am writing to advise have closed our facility located at:

503 South Fairfax Boulevard
Ranson, West Virginia

All gauges from that facility have been removed and taken to our main storage facility for our license which is located at:

4845 International Boulevard, Suite 104
Frederick, Maryland 21703

This letter is to request our license be amended to remove the Ranson, West Virginia storage location and replace it with our new storage facility which is being setup in Fraziers Bottom, West Virginia. We expect the facility to be operational by May 15, 2016. The address of the new facility is:

36 Chafee Lane
Fraziers Bottom, WV 25082

Should you have any questions please contact the undersigned directly at 240-674-7517 or via email at vdarling@specializedengineering.com

Respectfully,

Vikki Darling

This is to acknowledge receipt of your: ☒ Letter and/or ☐ Application Dated: 05/02/2016

The initial processing, which included an administrative review, has been performed.

☒ Amendment ☐ Termination ☐ New License ☐ Renewal

☒ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please fill out NRC Form 531, Request for Taxpayer Identification Number, located at the following link:
<http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>

Send the completed NRC Form 531, by facsimile, to the following number: (301) 415-5387

☐ The following administrative omissions have been identified:

--

A copy of your action has been e-mailed to our License Fee and Accounts Receivable Branch, in our Headquarters office in Rockville, MD. You will be contacted separately if there is a fee issue involved.

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
