Dear Mr. Williams:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I would like to inform you that the content of the information in the route application for transportation of spent nuclear fuel, dated March 17 2016, has been determined to be complete. The NRC is currently conducting a detailed review of the application. The detailed review will evaluate the application to support the ability of the proposed route to meet the applicable regulatory requirements. We will provide results of our review of the application within 45 days of the date of this letter. To facilitate our review, no changes or supplements to this application should be submitted, except in response to a request for additional information.

If you have any questions or wish to obtain additional information concerning your application, please contact Gerard Jackson at (301) 287-3593 or via electronic mail at Gerard.Jackson@NRC.Gov

Sincerely,

/RA/
