MKD/NW-16-0487L

**Subject: SGI Attachments to Response to RAI 428-8412**

**Reference: 1) NRC Request for Additional Information 428-8412, dated March 2, 2016**

KHNP is hereby submitting the SGI attachments to the response to RAI 428-8412. The enclosure contains a CD that provides supporting documentation for the subject RAI responses. The 'Comment and Markup' version of the report (see appropriate folder on CD) is for help reviewing the changes to the SGI documents as a result of KHNP response to RAI 428-8412. The 'Comment and Markup' document was used in lieu of markups in each RAI question to maintain consistency and organization. Anything with a red line through it was deleted, anything with a blue line under it was inserted, blue cells were added, and red cells were removed. The comments in the margin link the highlighted text to the RAI question which generated to need to change the document.

If additional information or clarification is required, please contact Daegeun Ahn, Director of KHNP Washington DC Center at [ahn.daegeun@khnp.co.kr](mailto:ahn.daegeun@khnp.co.kr) or 703-388-0592.
