Docket Nos. 50-269, -270, -287

Dear Sir:

By a letter dated September 25, 1984, Duke Power transmitted the In-Service Inspection (ISI) Plan for Oconee. It was stated in the letter that the ISI Plan for Oconee 1 was being submitted in its entirety, with the material for Oconee 2 and 3 being complete except for the examination listings and the boundary drawings. The examination listings and boundary drawings for Oconee 2 were transmitted by a letter dated March 5, 1985.

Please find attached the remaining ISI information for Oconee 3, which completes our submittal of this information for Oconee Nuclear Station. The material in the present submittal, like that in the September 24, 1984 and March 5, 1985 submittals, is transmitted to you for purposes of information only.

Very truly yours,

H.B. Tucker
