NRC STAFF MOTION TO EXTEND THE DISCOVERY PERIOD

The NRC Staff moves the Licensing Board to extend the period within which discovery may be made in this proceeding from March 23, 1998, to April 23, 1998. The Licensing Board's First Prehearing Conference Order, dated January 21, 1998, established March 23, 1998, as the closing date for discovery. Counsel for the licensee, by letter dated February 26, 1998, requested an extension for discovery until April 8, 1998. The Staff has no objections to licensee's request and has moved for additional time for discovery beyond April 8, 1998. The Staff is having difficulty in scheduling depositions of persons important to the resolution of this matter, and needs more time. This day, counsel has contacted counsel for the licensee and he has no objection to this request for an extension of time.

Respectfully submitted,

Charles A. Barth
