Ms. Jenkins,

Attached is a courtesy copy of a letter and draft EA the NRC sent to you on April 14<sup>th</sup>. We are asking for your comments within 30 days on the draft EA, related to the Nuclear Waste Partnership, LLC's (NWP) request for an exemption from 10 CFR 71.61 for two TRUPACT-III packages for a one-time shipment from Savannah River Site in South Carolina to WIPP in New Mexico.

Submitting comments by email would be preferable, we've recently had issues with snail mail being returned for various reasons. If you have any questions, please let me know.

Thanks,  
Jessie Muir Quintero
