Don

Here's a very minor editorial question on MCR heat Load FSER Chapter.

The section discussing "Resolution of LNP Confirmatory Item 21.3-1" on pages 21-66 and 21-87 refers to a letter dated November 11, 2015. There is no Duke submittal concerning MCR Heat Load dated November 11, 2015, although there are MCR Heat Load submittals dated November 12, 2015 and December 11, 2015.
