3) Letter to N. Mamish, NRC OIP, from R. Wassenaar, Nordion (Canada) Inc., re: Application for Approval of Indirect Transfer of Control (November 19, 2015)

Dear Mr. Mamish,

Pursuant to your office's January 4 and April 11, 2016 Orders (References 1 and 2), Nordion (Canada) Inc. ("Nordion") submits this pre-closing notice confirming receipt of all regulatory approvals necessary to close the transaction described in our November 19, 2015 application for approval of indirect transfer of control (Reference 3).

The January 4 Order directed Nordion to inform you of the receipt of all required regulatory approvals for the transaction no later than one business day prior to closing the transaction. That directive was preserved through the April 11 Order, which extended the NRC's consent to the indirect license transfer until June 6, 2016. This letter serves to inform the NRC that all required regulatory approvals to implement the indirect transfer of control have been received and the closing of the transaction is expected to occur on May 26, 2016.
