Virgil C. Summer Nuclear Station (VCSNS) Units 2 and 3
Combined License Nos. NPF-93 and NPF-94
Docket Nos. 52-027 & 52-028

Subject: VCSNS Units 2&3 Withdrawal of LAR 13-33: License Amendment
Request and Exemption: Passive Core Cooling System (PXS)
Condensate Return (LAR 13-33)

Reference: 1. SCE&G Request for License Amendment and Exemption: Passive Core
Cooling System (PXS) Condensate Return (LAR 13-33), dated July 08,
2014 (Accession Number ML14189A264)

2. Supplement 1 to Request for License Amendment and Exemption:
Passive Core Cooling System (PXS) Condensate Return (LAR 13-33S1),
dated July 09, 2014 (Accession Number ML14190B244)

In accordance with the provisions of 10 CFR 52.98(c) and 10 CFR 50.90, South Carolina Electric & Gas Company (SCE&G), on behalf of itself and the South Carolina Public Service Authority (Santee Cooper), requested an amendment and associated exemption to the Virgil C. Summer Nuclear Station (VCSNS) Units 2 and 3 combined license numbers NPF-93 and NPF-94, respectively, in letter NND-14-0282 dated July 08, 2014 (Reference 1). This request was supplemented by Reference 2 on July 09, 2014.

During the period since the original request, SCE&G has continued its efforts related to LAR 13-33, and it is expected that a substantial revision to the original request will be necessary.

As such, SCE&G, on behalf of itself and Santee Cooper, is withdrawing LAR 13-33 and its supplements. However, SCE&G expects to complete the previously mentioned revision and submit a consolidated request on this topic.

This letter contains no regulatory commitments.

In accordance with 10 CFR 50.91, SCE&G is notifying the State of South Carolina of this withdrawal by transmitting a copy of this letter to the designated State Official.

Should you have any questions, please contact Mr. Justin R. Bouknight by telephone at (803) 941-9828, or by email at justin.bouknight@scana.com.

Sincerely,

April R. Rice
Manager, Nuclear Licensing
New Nuclear Deployment
