Subject: Formal request to change the company name.

To whom it may concern,

Recently our company decided to restructure with the merging of several groups owned by PARR. Due to this our company has petitions and received approval to, from this day forward, be called Par Hawaii Refining, LLC.

Following that name change we are asking that the US Nuclear Regulatory Commission please remove Hawaii Independent Energy LLC from future permits and that the US Nuclear Regulatory Commission please re-issue all operating permits under our new name.

Please contact me at (281-804-0261) if you have any questions or concerns, thank you for your assistance in this manner.

Sincerely,

Michael J. Gaston
Inspection-Reliability Supervisor
Par Hawaii Refining, LLC.
