SUBJECT: MOHAMED SHARAWY, VOIDANCE OF APPLICATION FOR NEW LICENSE,
CONTROL NO. 588579

Dear Mr. Sharawy:

This concerns your application for an NRC license dated August 13, 2015 and our request for additional information letter addressed to you dated April 19, 2016, (ADAMS Accession No. ML16110A357)¹ notifying you that your application was deficient and requesting additional information. To date, we have not received a response from you to our letter. Per our letter dated April 19, 2016, you were required to respond with the additional information within 30 calendar days.

Since we did not receive a response from you, the NRC has concluded that you no longer wish to pursue the application for a license dated August 13, 2015. In accordance with NUREG 1556, Volume 20, Section 4.5.A., the NRC is considering this application abandoned for the failure to provide the requested information. Therefore, you are hereby notified that this application for a license has been voided. This action is taken without prejudice to the resubmission of your application.

Sincerely,

/RA/

James M. Trapp, Director
Division of Nuclear Materials Safety

cc: Robert E. Dansereau, State of New York
