Business Cellphone No. Unknown

NRC Representative Name/Title: Dennis Lawyer – Health Physicist

Subject: RAI, Release Survey Plan

Discussion: I had a conference call with Mr. Fenton's consultant and Mr. Fenton about the survey plan. Key areas discussed was that I am not authorized to release construction debris and it would need a separate submittal. The need to alpha scans as described in MARSSIM section 6.7.2.2. Discussion on the method of determining a random start. The need to discuss how they plan to obtain background counts. The use of the Wilcoxon Rank Sum for the measurements of the refractory brick.

Action Required: Mr. Thomas stated that he would have a revised procedure into me next week.
