## Telephone Conversation Record

Date: May 13, 2016

License No. 28-31397-01

Docket No.(no hyphens): 03038213

Report No. 2015-001

Licensee Name: John Turner Consulting, Inc.

Participant(s) Name/Title: Jestin LeClair/Assistant Radiation Safety Officer

Work Telephone No. 603-749-1841

Business Cellphone No. N/A

NRC Representative Name/Title: Steven R. Courtemanche/Health Physicist

Subject: Additional Information for Notice of Violation

Discussion: (08:30) I spoke about the licensee's April 19, 2016, response to the NRC's March 15, 2016, Notice of Violation. I confirmed with Mr. LeClair that no activities conducted out of the Dover, NH facility at temporary jobsites were conducted in areas of exclusive Federal jurisdiction. I asked Mr. LeClair if the mention of the Dover, NH facility was a mistake because the NRC's correspondence dated March 15, 2016, only indicated that the utilization logs of the Worcester, MA field office were incomplete. Mr. LeClair admitted that he had made an error, that John Turner would be informed, and that an individual would be delegated the responsibility of ensuring that the corrective and preventive actions were completed at the Worcester, MA field office. I informed Mr. LeClair that I would be making a telephone conversation record and add our understandings to my acknowledgement letter. No further reply would be required of the licensee.

Action Required: Document for future inspection.
