June 07, 2016

Docket: PROJ0769

U.S. Nuclear Regulatory Commission
ATTN: Document Control Desk
One White Flint North
11555 Rockville Pike
Rockville, MD 20852-2738

SUBJECT: NuScale Power, LLC Submittal of Presentation Materials Entitled "The NuScale Design," Revision 0, PM-0616-49510 for Use During Closed Meetings on June 9 and 15, 2016 (NRC Project No. 0769)

At the request of the Nuclear Regulatory Commission, NuScale Power, LLC (NuScale) will be presenting a detailed overview of NuScale design and technology to the NRC staff at closed meetings scheduled on June 9 and June 15, 2016. The purpose of this submittal is to provide presentation material prepared for use during these meetings.

Enclosure 1 is the nonproprietary version of the presentation entitled "The Nuscale Design." Enclosure 2 is the proprietary version presentation entitled "The NuScale Design." NuScale requests that the proprietary version be withheld from public disclosure in accordance with the requirements of 10 CFR § 2.390. The enclosed affidavit (Enclosure 3) supports this request. Enclosure 2 has also been determined to contain Export Controlled Information. This information must be protected from disclosure per the requirements of 10 CFR § 810.

This correspondence includes preliminary and/or conceptual information, which reflects the current stage of the NuScale design and may be subject to change. This letter and its enclosures make no regulatory commitments and no revisions to any existing regulatory commitments.

Please feel free to contact me at 301-770-0472 or at smirsky@nuscalepower.com if you have any questions.

Sincerely,

Steve Mirsky
Manager, Regulatory Affairs
