Dr. Cassata,

Please ensure Dr. Steve Monroe is added to your list of recipients for receiving a copy of the final inspection results. Currently, Dr. Steve Monroe is the Associate Director of the Office of Laboratory Science and Safety, under which the responsibility for the Category 1 Radioactive Material License falls. Please remove Paul Meechan from the list of recipients, as he is no longer the Director of the Office that is responsible for the Category 1 Radioactive Material License.

Dr. Steve Monroe's title: Associate Director for Laboratory Science & Safety.
His email address is: SMonroe@cdc.gov

Our mailing address has been changed and is given below:

Centers for Disease Control and Prevention Office of Laboratory Safety Mailstop D17
1600 Clifton Road
Atlanta, GA 30329

We truly thank you for your guidance during this process. If you have additional questions or need additional information please contact us.

Respectfully,
Narvaez
