Subject: [External_Sender] June 8 meeting questions

Glen

You responded to my three questions my first question tonight that an analysis has been preformed for the existing pipelines. Please provide me with a copy of the analysis for the buried gas lines or the ML number or I am willing to file another FOIA request.

Again you failed to provide me with any direct response to the remaining two direct questions. Was the response yes or no?

Your responded to the final questions with the same evasive answers as before and that is why I submitted them beforehand.
