Good afternoon Elizabeth,

This email acknowledges receipt of your letter, dated May 27, 2016, in response to the U.S. Nuclear Regulatory Commission's (NRC) letter dated May 5, 2016, transmitting a Notice of Violation. In your letter, you identified the corrective actions that Cayman Chemical Company has taken or plans to take to address the violations. The NRC has reviewed these corrective actions, which appear to be adequate, and has no further questions at this time. The actions Cayman Chemical has taken and plans to take to address the violations will be examined during a future inspection.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC's Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC's website at <http://www.nrc.gov/reading-rm/adams.html>.

Please feel free to contact me if you have any questions regarding this correspondence.
