Subject: 40-Year License Application: Approval of Request for Additional Time To Respond to RAIs on Management Measure
Date: Tuesday, June 21, 2016 8:02:00 AM

Ms. Parr,

By letter dated May 18, 2016, the NRC staff sent Westinghouse a request for additional information (RAI) regarding management measures of the 40-year license application. Responses were due by June 18, 2016.

You sent me an e-mail dated June 15, 2016, requesting additional time to submit responses. We had discussed the need for an extension shortly after the RAIs had been issued. Your e-mail indicated that Westinghouse could respond to the RAIs by Friday, July 29, 2016.

As we have discussed, your request for additional time has been approved. This e-mail documents that approval. A response to the May 18th letter is due by July 29, 2016.

Regards.

Chris Ryder
