Dear Sir or Ma'am,

Request amendment to Madigan Army Medical Center's NRC License No. 46-02645-03 to reflect the following changes to the membership of the Radiation Control Committee (RCC) to which Madigan committed in its renewal application dated August 25, 2010:

1. Change the Chair of the RCC from the Deputy Commander for Clinical Services (DCCS) to the Chief Medical Officer (CMO). The US Army Medical Command (MEDCOM) recently restructured the hospital leadership positions. The position of DCCS has been eliminated. The CMO will now take on certain responsibilities formerly assigned to the DCCS.

2. Remove the Department of Clinical Investigation (DCI) Representative. Madigan no longer uses radioactive materials in DCI. DCI was removed from the Madigan license as a use area in Amendment No. 97.

Point of contact is the undersigned at (253) 968-4300 or david.j.phillips48.mil@mail.mil.

Sincerely,
