Re: Request to suspend review of FSSP
Dear Sir/Madam:

Reference is made to the Forbearance Agreement, dated as of August 17, 2015 (the "Forbearance Agreement"), by and between Fansteel, Inc. ("Fansteel"), FMRI, Inc. ("FMRI"), the Nuclear Regulatory Commission ("NRC"), the United States Department of Justice ("DOJ") and the Oklahoma Department of Environmental Quality ("ODEQ").

As required by 5B of the August 17, 2015 Forbearance Agreement FMRI submitted Final Status Survey Plans (FSSP) on March 31, 2016. FMRI is requesting to suspend the review of this submittal by the NRC until the requirements of 5A of the Agreement are complete.

Sincerely,

A handwritten signature in black ink, appearing to read "James Burgess", is written over the typed name.
