James:

Per our conversation today, we discussed the third sentence of the first section of the draft EA/FONSI. I informed you that the sentence is a boilerplate statement and has been vetted through the Office of General Council. Thank you again for reviewing the draft EA/FONSI and for your prompt response.

Hi Laurie,

I reviewed the EA FONSI and find it acceptable. Just one note on the third sentence to section 1 introduction. It reads as though the site is already being released, not just approving the decommissioning plan. I will be back in the office Tuesday if you want to discuss.
Regards,

James

Subject: DRAFT Environmental Assessment and Finding of No Significant Impact (EA-FONSI)

Good morning James:

Per our discussion, I have attached the NRC's DRAFT Environmental Assessment and Finding of No Significant Impact (EA-FONSI) so that you may have an opportunity to provide comments. I understand, from our conversation, that you should be able to provide comments, if any, within a week of receipt of this email. Again, I truly appreciate your prompt response. Please respond, in writing, so that I may accurately document the NJ DEP response.

The draft EA-FONSI also includes placeholder, which I will finalize prior to sending to the Federal Register, where I will incorporate your comments/reply to this email.

As a friendly reminder, please keep in mind that the EA-FONSI is a draft document and should be treated as such.

Regards,
