

OFFICE OF THE  
CHIEF FINANCIAL  
OFFICER

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

November 29, 2016

Mr. Anthony Pietrangelo  
Senior Vice President and Chief Nuclear Officer  
Nuclear Energy Institute  
1201 F Street NW, Suite 1100  
Washington, DC 20004

Dear Mr. Pietrangelo:

On behalf of the U.S. Nuclear Regulatory Commission, I am responding to your letter dated August 31, 2016, commenting on SECY-16-0097, Fee Setting Improvements and Fiscal Year 2017 Proposed Fee Rule.

Thank you for your comments on the SECY as noted in this letter and at the September 16, 2016, public meeting. The Commission issued their Staff Requirement Memorandum (SRM) on this SECY on October 19, 2016. Based on the SRM, I have begun the initiative to explore a flat fee structure for routine licensing matters in the area of the uranium recovery. In addition, work to support the administrative changes for fiscal year 2017 is well under way and staff is also examining opportunities to accelerate improvements scheduled to be implemented in fiscal year 2018 and beyond.

Sincerely,

*/RA/*

Maureen E. Wylie  
Chief Financial Officer
