

October 11, 2016

The Honorable Mark R. Warner
United States Senate
Washington, DC 20510

Dear Senator Warner:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter of September 14, 2016, requesting a copy of our updated implementation plan for the Digital Accountability and Transparency (DATA) Act of 2014. Our August 12, 2016, updated plan is enclosed. The most recent guidance from the Office of Management and Budget and Department of the Treasury does not present the NRC with any new resource-related or other challenges.

Thank you for your interest in our efforts to meet the DATA Act requirements. If you need anything additional, please contact me or Eugene Dacus, Director of the Office of Congressional Affairs, at (301) 415-1776.

Sincerely,

/RA/

Stephen G. Burns

Enclosure:
DATA Act Implementation Plan
