**Subject:** FW: TAR for GNF Decommissioning Funding Plan

Chris,

Please review the attached TAR for the GNF-A Triennial review and let me know if you can support the review and the schedule.

As Ty has indicated, we are waiting on the TAC and will forward as soon as we have it. I figure that you all are busy with the public meeting and won't be able to start on it right away anyways.

Thanks,

Robert

**Subject:** TAR for GNF Decommissioning Funding Plan

Hi Robert,

Attached is the TAR for the DUWP assistance for the review of the GNF DFP. I have copied the body of the attachment into the body of this email for easy readability. I am awaiting a CAC for this, but I can at least get this in motion. I'll send the CAC as soon as I receive it. Let me know if you'll need anything else

The Fuel Manufacturing Branch of the Division of Fuel Cycle Safety, Safeguards and Environmental Review requests technical assistance for the following project:

**PROJECT:** Global Nuclear Fuels - Americas

**DOCKET NO:** 0700-1113 **LICENSE NO:** SNM-1097

**CAC NO:** L

**ADAMS NO:** ML16252A210

**REQUESTED ACTION:** Review the update to Decommissioning Funding Plan for Global Nuclear Fuels – Americas, identified on the docketed correspondence. Determine if there are major deficiencies that make the submittal unacceptable for detailed review and prepare a recommendation to accept or deny (if required). Prepare requests for additional information, if needed. Evaluate any additional information submitted. Participate in meetings, conference calls, and site visits, if necessary. Provide input for a Final Report.

The above task is estimated to require approximately 40 staff hours.

Relevant documents: Update to FA for 2016: ML16102A361

SER for Update to FA: Due this week. Will be supplied.

Previous Approval: 09/11/2013 [ML13252A395](#)

**Acceptance review requested by:** October 20, 2016

**RAI requested by:** November 30, 2016

**SER input requested by:** February 9, 2017

**NMSS/DUWP/PAB Branch Chief please and fill in the following:**
