Dear Mr. Chairman:

The U.S. Nuclear Regulatory Commission (NRC) is publishing the following document in the *Federal Register*:

- Title: "NRC Enforcement Policy" [NRC-2014-0221].
- Description of document: This document informs the public that the NRC is issuing a revision to its Enforcement Policy as approved by the NRC Commission. The two main revisions are a rewrite of the "Information Security" section to incorporate a risk-informed approach for assessing the significance of information security violations and the implementation of the Construction Reactor Oversight Process.
- Date: The effective date of this revision is the *Federal Register* publication date.
- This policy statement is not a major rule as defined by the Congressional Review Act.

For more information, see the enclosed document.

Please contact me at 301-415-1776, if you have questions or need more information.

Sincerely,

/RA/

Eugene Dacus, Director
