

Enclosure 1

TAC 16-010

**Changes for NEDO-32765, "Technical Specifications for the
Nuclear Test Reactor Facility License R-33," Revision 2**

Changes for NEDO-32765, "Technical Specifications for the Nuclear Test Reactor Facility
License R-33," Revision 2

The following table presents all changes to the NTR TS (NEDO-32765) from NTR license Amendments 23 to 24. Because this is a complete set of TS with Bases, GEH is revising NEDO-32765 to Revision 2. Other than the changes described below, Revision 2 of NEDO-32765 is identical to the complete set approved by the NRC for Amendment 23.

Section	Page Number	Description of Change	Reason for Change
All	All	In footer, added "Amendment 24, September 2016"	
Cover Sheet	N/A	Updated revision and date.	No change bar used.
All (except Cover Sheet)	All except Cover	In header, added "Revision 2" after "NEDO-32765".	Administrative enhancement (no change bar used).
Contents	i and ii	Corrected page numbers for content sections, and actual page numbers of the Contents pages (was iii and iv).	Administrative enhancement (no change bar used).
1.2.26	1-6	Deleted "(approximately 1600 acres)".	Change to support potential land sale, previously submitted in Enclosure 2 of Reference 1.
3.4.4	3-11	Added "site specific" to clarify that annual average dilution factor is based on site meteorological conditions.	Change to support potential land sale, previously submitted in Enclosure 2 of Reference 1.
Table 3-1	3-5	Added horizontal lines between rows, for readability.	Administrative enhancement (no change bar used).
Table 3-2	3-6	Added horizontal lines between rows, for readability.	Administrative enhancement (no change bar used).
Table 4-1	4-4	Added horizontal lines between rows, for readability.	Administrative enhancement (no change bar used).

Section	Page Number	Description of Change	Reason for Change
Table 4-2	4-5	Added horizontal lines between rows, for readability.	Administrative enhancement (no change bar used).
5.1.2	5-1	<p>Changed second sentence from:</p> <p>The restricted area, as defined in 10 CFR Part 20 of the Commission's regulations, shall be the Vallecitos Nuclear Center.</p> <p>To:</p> <p>The controlled area, as defined in 10 CFR Part 20 of the Commission's regulations, shall be the area within the confines of the Vallecitos Nuclear Center owned and operated by the licensee.</p>	<p>Updated to reflect current terminology and match Section 1.2.26, Site, which reads:</p> <p>The area within the confines of the Vallecitos Nuclear Center (VNC) owned and operated by the licensee.</p>
