Subject: Response to email dated July 25, 2016

Discussion: Mr. Paradiso had sent me some surveys by email and I had reviewed them. I found them unacceptable due to not have surveyor name and no discussion with the surveys. I also told Mr. Paradiso that there was no response to the other requested items in my electronic mail dated July 25, 2016. Mr. Paradiso stated that his consultant was putting together a report with all the required information, but was taking longer than he had anticipated. I told him that I needed to complete this action on Wednesday, October 5, to meet my management expectations deadline. Mr. Paradiso said that he would not be able to get it to me by that time. I told Mr. Paradiso that I would do the amendment to remove the short lived radionuclides as he had provided the information needed for that, but could not remove the 352 Knotter Drive, Cheshire, Connecticut location. Mr. Paradiso said he understood and would submit the report after reviewing it and understood it would be a separate action.

Action Required: Perform Amendment
