RE: EnergySolutions LLC, Response to Request for Additional Information Concerning
Application for Amendment to License, Control No. 590652

Dear Mr. Hammann:

In response to your Request for Additional Information in letter dated June 1, 2016, EnergySolutions, LLC provides the following response:

Provide an updated organizational chart by position demonstrating that the proposed radiation safety officer, Jonathan Newman, has sufficient independence for oversight of radiation safety activities and direct communication with responsible management officials.

EnergySolutions' response:

An organizational chart is attached that demonstrates the proposed radiation safety officer, Jonathan Newman (currently Andy Veronee), has sufficient independence for oversight activities and direct communication with responsible management officials. Please note that Mr. Newman (currently Andy Veronee) reports to the Vice President of Projects and Field Services with a dotted-line to the Corporate Radiation Safety Officer.

If you have any questions, please contact Mark Ledoux, Corporate RSO, 801-201-6746; mledoux@energysolutions.com, or myself at (801) 580-3201; dshrum@energysolutions.com.

Sincerely,

Dan Shrum

This is to acknowledge receipt of your: ☒ Letter and/or ☐ Application Dated: 09/27/2016

The initial processing, which included an administrative review, has been performed.

☒ Amendment ☐ Termination ☐ New License ☐ Renewal

☒ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

☐ The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
