Hello Mr. Yudelev,

I have one addition document that will need to be completed for the amendment request to add manual brachytherapy to the McLaren Port Huron license. Attached you will find the delegation of authority that will need to be completed by Dr. Tracey and someone from hospital senior management.

You can send your response by email to [jennifer.dalzell-bishop@nrc.gov](mailto:jennifer.dalzell-bishop@nrc.gov) or by fax to 630-515-1078. Submitting any licensing correspondence without a signature, or with an unacceptable signature, may delay the review process until an acceptable signature is obtained on the document(s) in question.

Sincerely,

Jennifer L. Bishop
