<p> NRC-HQ-25-12-D-0002. A separate de-obligation will occur on each of the specific Task Orders identified. With various systems and programmatic changes and invoicing under the JCN in lieu of the Task Order Number there is a reconcile difference in each of the individual task order amounts, however both the NRC's and BNL's records indicate that a total of \$102,846.84 is available for de-obligation from the JCN QBD02 under NRC-HQ-25-12-D-0002. Therefore the respective amounts shall be de-obligated per organization. </p> <p> NRC The purpose of this modification is to de-obligate funds in the amount of (\$449.87) from this Task Order No. 4 under NRC-HQ-25-12-D-0002. </p> <p> BNL The purpose of this modification is to de-obligate funds in the amount of (\$447.44) from this Task Order No. 4 under NRC-HQ-25-12-D-0002. </p> <p> All work has been completed and no other actions are required. This agreement is hereby closed out. </p>
