Subject: [External_Sender] RE: 380-B RSI Response

Hello Norma,

Sorry not to get back to you. It was either a problem with my voicemail or operator error, but somehow I did not get your message.

We plan to provide answers to the questions in the RSI, but not a QA chapter. This is a change from our earlier plans, as you may recall. My best estimate on the response would be in about two weeks. I will be out of the office the week of October 10. Chad Thompson of our office will be working on it while I'm out. He can be reached at 505-845-4114.

Thanks,

Kathy

Subject: 380-B RSI Response

Good afternoon Kathy,

I called you and left a message in your voice mail. I just wanted to know the status of your response to the RSI for the Model No. 380-B, for planning purposes only.

Please let me know if you have an idea on when the responses may come in.

Have a nice rest of the day,

Norma Garcia Santos
