**Subject:** Fairbanks Memorial Hospital - add name to license

Carol,

This is Fairbanks Memorial Hospital (license 50-13648-01, docket 030-03509). There is a foundation that runs/oversees the hospital and it looks like they want the foundation name as part of the NRC license name – it looks like another one where there may be a dba involved. Can you or one of the license reviewers send the individual below the guidance/questions/information to be submitted to NRC for this change?

Thank you.  
Janine

**Subject:** [External\_Sender] NRC License

Janine,  
Please disregard the last email I sent you. I miss understood what was being asked of me.

The new Foundation (Foundation Health, LLC) that is going to be over Fairbanks Memorial Hospital wants the NRC license in their name.

This involves a name change.

Should I send an amendment with the new name replacing the old name?

Is there anything else that is required?

Thank you for your help,

Jan
