Good Afternoon,

Janine forwarded your email (below) to me regarding your organization's dba.

Please fill out the attached Appendix F to request an amendment and return.

If you have any additional questions, please feel free to contact me.

Subject: [External_Sender] Alaska Heart Institute DBA

Good afternoon,

To ensure complete compliance with NRC regulations, I am reaching out for guidance on our next step in regards to our DBA. We have not undergone a name change from Alaska Heart Institute, LLC but we are presently doing business as Alaska Heart & Vascular Institute. Do we need to change our name on our license or may we provide proof of the DBA? We look forward to resolving this matter as soon as possible.

Above is the original email, mistakenly sent to the incorrect email address. Per our conversation today, we will wait to hear back from either yourself or the licensing department with the questionnaire regarding our company name. Thank you for your help.

Thank you,

Aja Fitz-Ritson

Hi Carol,

I inspected "Alaska Heart Institute, LLC" last week (license 50-29111-01, docket 030-34474). I noticed that the most recent licensing correspondence they sent to us was on letterhead that said "Alaska Heart & Vascular Institute." Furthermore, the signage at the facility referred to "Alaska Heart & Vascular Institute." You can see from the email below that there is perhaps a dba involved. Can you or one of the license reviewers send the individual below the guidance/questions/information to be submitted to NRC to determine whether this is a change that needs to be made to the license?

Also FYI they will be coming in with a separate amendment request to correct the suite number for license condition 10.A.

Thank you.
Janine
