Request To Withdraw Amendment Application

SUMMARY

In a phone conversation with Gary Dillon on October 3, 2016, at 1:45 pm, Mr. Dillon stated that you would not be able to support a site visit at this time. The site visit had been planned for October 4, 2016 at 10:00 am. In addition, Mr. Dillon stated that you would be withdrawing your application to amend your license because you would not be ready for several months for the NRC to conduct the site visit. During that phone call I requested that you provide the NRC with a written statement requesting that you withdraw your request. I asked that the letter be provided by close of business on October 4, 2016.

When the written request to withdraw that application was not received on October 4, 2016, I attempted to contact Gary Dillon (AMP), Dr. James M. Forde (RSO), and Stephen Lunn (COO), but did not get a response from anyone at the hospital by close of business on October 6, 2016.

Even though you did not respond with your request to withdraw the application, the NRC will be voiding the request. You may resubmit your request at a later date if you so wish.
