Mr. Wilson-

In response to your request of September 1, 2016, Southeastern Land, LLC offers the following updates.

1. Item 1 of Appendix E requires the licensee to provide the new licensee name, mailing address, and contact information, including phone numbers. Your letters did not specifically state that Southeastern Land, LLC, will be the name of the new licensee. Also, you did not include contact information, including telephone numbers for Southeastern Land, LLC. Please provide this information.

Southeastern Land, LLC will be the name of the new licensee. Contact information, including telephone numbers is now provided. Please reference updated Notification Correspondence.

2. Item 3 of Appendix E requires, in part, that the licensee describe any changes in the locations to be covered by the license. In your letters, you did not fully describe the locations of use covered by the licenses to be transferred. Please confirm that the licensed locations of use will remain the same. The licensed locations are currently:

Licensed locations of use will remain unchanged. Please reference updated Notification Correspondence.

3. *Item 7 of Appendix E requires the licensee to confirm that both transferor and transferee agree to transferring control of the licensed material and activity, and the conditions of transfer, and that the transferee has been made aware of any open inspection items and its responsibility for possible resulting enforcement actions. Your letters were signed by you as Vice President of Permitting and Environmental Affairs for Booth Energy. The letters were not signed by principals of the transferee and transferor. Please submit letters signed by both parties confirming that both the transferor and transferee agree to the change of control.*

Notification Correspondence has been updated to reflect my status as Attorney in Fact for Southeastern Land, LLC. "Transfer of Control Agreements" executed by both the Transferor (Consol of Kentucky Inc. / Fola Coal Company, LLC) and Transferee (Southeastern Land, LLC) now provided.

If you have any questions or require any additional information feel free to contact me directly at (606) 298-2340 or larry.a@czarky.net.

Respectfully Submitted,

Larry D. Adams, P.E.
Vice President – Permitting and Environmental Affairs
