Date: 10/17/2016

License No.: 29-13141-06

Docket No.: 03030808

Mail Control No.: 591766

Licensee Name: Department of Homeland Security Transportation Security Laboratory

Participant(s) Name/Title: Colin O'Connor / Safety Officer

Work Telephone No. 609-813-2820

NRC Representative Name/Title: Scott Wilson / RI Health Physicist

Subject: Response to Request for Additional Information; License Amendment Request

Discussion: Mr. O'Connor was contacted to discuss the request for additional information provided to him via email on September 14, 2016. Mr. O'Connor had expressed that a request for authorization for research and development activities under the license and the use of unregistered sealed sources would take some time and need additional approval from his management. We discussed that the best option was to amend the license to include the new authorized users, remove authorized users no longer needed on the license, and that he would provide a new letter requesting amendment for research and development activities in the future.

Action Required: NRC to amend license as stated. Save this record in ADAMS.
