Dear Mr. Tarver:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter dated September 11, 2016, in which you appealed the agency's August 26, 2016 response related to your August 13, 2016 Freedom of Information Act (FOIA) request, FOIA/PA-2016-00681. You appealed the search performed for the name and title of Washington Department of Health staff who is to be sent notice of, and when, a radioactive shipment is done in Washington State.

Acting on your appeal, the NRC Region 4 Office conducted a search for records and found one record responsive to your request, which is provided below. Therefore your appeal is granted.

The name of the individual in Washington State to receive advance notification of radioactive material and nuclear material shipments is on page 19 of the attached list, which is also publicly available at <https://scp.nrc.gov/special/designee.pdf>.

Tarver, J.
