Subject: Renewal Request to Export License XB1310 (Iraq)

On August 19, 2016, Leidos submitted a renewal application for the subject license with a check for \$9,400 corresponding to Executive Branch review similar to our submission the previous year. In an email correspondence (attached) from Mr. Stanley Freeman, dated September 19, 2016, it was determined that our renewal application must be escalated to the Commission which requires a fee of \$14,600. We submitted a new check for the requested additional funds.

On October 3, 2016, I received an additional email (attached) from Joanne Savoy stating that the previous request for additional funds was wrong and that yet an additional \$2700 was due to begin the process of reviewing our application. Attached is a check based on that request.
