Subject: NRC Inspection Report

Mr. Brad Pate,

I'd like to thank you and your staff for your time during the NRC inspection at your facility. As I discussed during our conversation this afternoon, the NRC has determined that no violations were identified. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

Thank you and please do not hesitate to contact me with any questions or concerns,
